# Next Steps

- Enroll in Coursera course using U of T account
  - <https://www.coursera.org/learn/intro-to-deep-learning>
  - U of T sponsored certificate
  - Helpful resource to set up account: <https://onlinelearning.utoronto.ca/coursera/>
- Go through Week 1/Module 1 content
  - Just the knowledge-based content and NOT the programming assignments/labs
- Discord server/channel would be set up soon for easier communication
- Next meeting in 2 weeks, specific time TBD based on availability poll result
